DETAILED ACTION

Allowable Subject Matter

1. Claims 1-14 are allowed.
2. The following is an examiner's statement of reasons for allowance: The prior art of record does not anticipate the claimed bipod for a weapon comprising a base which is attached to the weapon, a pair of legs, each leg including an inner member having a pointed distal end and a proximal end which is attached to the base, an outer member which freely slides relative to the inner member, the outer member including a foot at a distal end having an aperture through which the pointed distal end of the inner member extends when the outer member is in a retracted position and the pointed distal end is in an exposed position and a holding mechanism which holds the outer member relative to the inner member such that the pointed distal end is located within the outer member when the outer member is in an extended position and the pointed distal end is in a withdrawn position.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. Bull (US Patent # 1,618,966), Goode (US Patent # 6,035,572), Curtis (US Patent # 4,351,224), Guasti (US Patent # 3,963,207), Breer et al.
